

## **Local Scholarships**

We appreciate the generosity of family and friends of the Waterford School District who have established scholarships. Below is a listing of the scholarships which have been offered in the past. Please see the scholarship links for details and updates. Scholarships are for high school seniors, unless noted.

In addition, please visit the college and career center or counseling office at your school for listings of local and regional scholarships. National scholarships can be located on Career Cruising, using Financial Aid Selector. College or university-specific scholarship links can be found on the college websites. Research or Google other scholarship opportunities through financial institutions, places of employment, places of worship, ethnicity, disability or intended field of study.

All scholarship information is provided as a courtesy to students. It is the student's responsibility to research and apply for scholarships and grants.

### **American Legion**

<http://www.legion.org/scholarships>

Multiple scholarships for seniors starting in the fall. In late winter, Junior girls may apply to be Miss Poppy in the Waterford Memorial Day Parade, allowing eligibility for scholarship competition. Please see applications in the counseling or college and career center offices.
