

Chloe Collias

Sophomore class Vice president '27

INTEREST FOR Vice PRESIDENT

I fit best in the position for the sophomore class vice president because I am responsible, well organized, outgoing, and can communicate well with anyone. I like to help out with things and be involved. I believe I can help encourage my sophomore class to be excited about the upcoming school year, and get them more involved as well.

WHY THIS POSITION IS IMPORTANT

I believe this position is important because as a sophomore I now know from being on the board last year how things work and what people like.. By being president I believe I can help make the sophomore class more comfortable and willing to participate and become involved in our school events.

LEADERSHIP

Being in leadership and/or vice president for the sophomore class, I can bring fun and exciting ideas for the school year. I believe I can make the sophomores feel more involved, fit in, and excited to participate in our school events.
