EXPERIENCE

Student Council-

STATEMENT OF INTEREST

I believe I am best qualified for the position of President because I am driven, organized, and a creative thinker. I will bring new and fresh ideas to the board, which will play a role in making student activities a success.

IMPORTANCE OF POSITION

I think it's important to have a position on the Executive Board because it will get me involved with my classmates and school and help build my leadership skills. Becoming president will allow me to be the face and voice of the junior class and able to make the decision I think would impact Kettering.

LEADERSHIP

By becoming the president of the junior class I will do my best to make sure all student voices are heard. I will inspire my classmates to be the best versions of themselves and encourage school spirit and participation. I am pursuing this executive board position because I want Kettering to be the best it can be.
