

Megan Krompatic

Class of 2025

Position: Vice President

Qualifications

- 3 years on Student Council and Leadership Class.
 - I am best qualified to be Vice President because I am constantly taking initiative on leadership events and trying to make the school better.
 - I feel it is important to have a position on the executive board because you represent your class and can make sure that other students' voices are heard.
 - I will be a passionate and self-aware leader to add to the executive board. This will allow me to continue to try and have the student body being heard and by that, impact the student body greatly. I want to be on the executive board because I believe my involvement in events the past years and initiative in the class will be a great asset to the board.
-
