Waterford School District Superintendent and Administrators Voluntarily Accept Wage Freeze

Waterford, MI, June 25, 2009 – On June 18, at the Board of Education Meeting, Waterford School District Superintendent Robert Neu and all District administrators notified the Board of Education that they will voluntarily accept a wage freeze for the 2009-2010 school year. The superintendent, along with all administrators, will receive the same rate of pay that they received during the 2008-2009 school year. This wage concession, by the District's leadership team, will save the District \$205,000, effective July 1, 2009.

“During these tough economic times, the Board of Education respects and appreciates our administrators and superintendent, who have voluntarily approached the Board and offered this wage concession”, says Board President John Himmelspach.
